Attitudes towards Healthy Eating - UK

"Propelled by the pandemic-driven rise in both eco- and health- consciousness, the prevailing 'holistic health' ethos is increasingly extending to that of the planet, and a very powerful proposition will be created through bringing together benefits around both. The popular concepts of 'food as medicine' and 'mood foods' continue to ...

Baby Food and Drink - UK

"Pressure on household incomes in 2022 will erode sales of baby food, drink and milk by boosting scratch cooking and further reducing birth rates. Parent/toddler cooking kits and frozen baby/toddler food products warrant attention, given strong consumer interest and limited availability. The former's appeal as a fun and ...
