Nursery and Baby Equipment Retailing - UK

“The nursery and baby equipment market has suffered from increased competition from discounters and online retailers such as Amazon. Since the closure of Mothercare and Babies R Us the market has become even more fragmented, making it more important than ever for retailers and brands to stand out and try ...

Consumer Trends, Attitudes and Spending Habits for the Home - UK

“Desire for open-plan living is fuelling a trend to extend or knock through to create larger living spaces which act as a home hub for family and entertaining at home. In turn this means more of the home is on view, creating demand for individual styling and higher average spend ...
