Full Service Restaurants - US

"The FSR (full service restaurant) sector continues to be outpaced by more affordable and innovative limited service concepts, especially fast casuals. The casual dining segment remains stagnant, although some operators are showing signs of success by curating fun and engaging on-premise experiences, and investing in quality food as well as ...

Family Dining Trends - US

"Parents are among the heaviest users of restaurants and off-premise restaurant business due to the convenience, speed and quality family time they provide, and this is especially true for fast food restaurants. Fast food continues to win family dining business with its aforementioned speed and convenience, affordable prices, kid-friendly amenities ...

Consumers and the Economic Outlook - US

"The majority of consumers consider their finances to be healthy, and views of the future seem to be positive as well. Consumers are saving for the future, but are still willing to treat themselves."
