

March 2014

Railway Engineering (Industrial Report) - UK

"The anticipated increase in demand from passengers together with growth in the rail freight sector will put additional strain on the UK's rail system over the coming years, with the network already nearing its capacity limits. Thus continued investment in the rail infrastructure will be necessary over the coming years."

February 2014

Mechanical Lifting and Handling Equipment (Industrial Report) - UK

"Trading conditions in the mechanical lifting & handling equipment market have started to improve during 2013 and into 2014, supported by economic growth, increased construction activity and signs of improvements in the manufacturing sector."

January 2014
