Beauty and Personal Care Retailing - Europe

“Growth in the beauty and personal care industry is expected to continue unabated in 2020, in part boosted by technological advancements supporting tailored products and experiences. We anticipate that the most successful retailers will be those that ensure they stay in tune with what consumers want, especially when it comes ...

Beauty and Personal Care Retailing - Italy

“Consumer spending on beauty and personal care in Italy has been rising for the past six years but has seen a slowdown in the past two years, with retail sales stagnating in 2018. Nevertheless, the leading specialists have continued to outperform the market, and although Italians appear to remain sensitive ...

Beauty and Personal Care Retailing - France

“French beauty and personal care specialists are operating in a tough environment – demand is weak and competition is growing from online. Retailers are investing in in-store tech and innovations that blend with the digital world, increasing their omnichannel integration. Services that have the human touch are also helping to ...

Beauty and Personal Care Retailing - Spain

“Beauty and personal care specialists in Spain have been focusing on strengthening their ecommerce presence, but they continue to face strong competition from non-specialist retailers across the board. They are turning their attention back to their stores to improve the multichannel shopping experience, hoping to entice consumers with new tech ...
